Soft-eReader Product Key Download [32|64bit] [Latest-2022]

* Very easy to use. * Automatic and private viewing. * Auto-scrolling. * Mark your book as complete. * Set the font and size of your book. * Search for any word or phrase in your book. * Print your book. * Switch books using the book catalog. * Bookmarks for the most favorite books. * Full version without any limitation. * Language and region support. Soft-eReader Crack Free Download Installer high-speed download Soft-eReader Crack For Windows (SFR) is a soft eReader for windows developed by Mobile Soft. This program is designed to be a useful and accessible application that allows you to read classical books, specifically those from Dan Brown, Arthur Conan Doyle, and Jules Verne. However, you don't have the possibility to add new books and download them from the developer's site. More precisely, the app opens in a straightforward way, displaying all the classical books directly on your computer. You can adjust the font size, color, and reading order, and preview the books. Once you have started a book, you can mark the reading as completed, increase the font size, search for a word in the book, and print the record. There are also several options available: you can hide the interface, show the full screen, adjust the book's speed, and launch the book in a separate window. Weak points None. This application can be installed directly, and is not bound to the device. The app is limited to books, but it also provides search, mark, and print functions to help you relax. Soft-eReader Full Crack is available for Android and iOS mobile devices. However, the app can't be used in conjunction with the iPad or the iPhone, as the app is designed to run on the iPhone/iPod Touch and not Android. Soft-eReader Torrent Download for Android: [Homepage] Download Soft-eReader Activation Code for Android Soft-eReader Crack (SFR) for Android is a free application that allows you to read classical books, specifically those from Dan Brown, Arthur Conan Doyle, and Jules Verne. This application can be installed directly, and is not bound to the device. The app is limited to books, but it also provides search, mark, and print functions to help you relax. This application also provides a search function to get the most popular books, and an option to scan QR-code from any

Soft-eReader Crack+ With License Key Free
